

Victoria Bae-Jump, MD, PhD - BIO

Dr. Bae-Jump is a Professor in the Division of Gynecologic Oncology at the University of North Carolina (UNC) at Chapel Hill. Dr. Bae-Jump's research focuses on understanding the inter-relationships among obesity, metabolism, racial disparities, the microbiome and endometrial/ovarian cancer pathogenesis as a means to develop innovative targeted therapies and interventions for gynecologic cancers via mouse models and translational clinical trials. She is the Leader of the UNC Lineberger Endometrial Cancer Center of Excellence (ECCE), Medical Director of the UNC Lineberger Clinical Trials Office (CTO), the Director of Gynecologic Oncology Translational Research within her division, the Leader of the UNC Lineberger Gynecologic Oncology Clinical Trials Pod, and she runs an NIH-funded translational laboratory.
